ACCESSIBLE SEATING IN THE THEATRE

All of the seats in section A can be adjusted to an accessible seat.

PERSONAL SPACE SEATING FOR RELAXED PERFORMANCES

When you book your tickets online for the relaxed performance you will notice that every other seat is grey. This is to allow personal space between all patrons who benefit from having more room.

If you are attending the show as a group you are welcome to sit closer together and use the extra seats as a buffer between you and the next group.
